FRANCE DENIES THE NEW UNFOUNDED ACCUSATION BY THE PUTSCHISTS IN NIGER

FRENCH MFA / ECOWAS JOINT COMUNIQUE

Paris, Washington DC, 09.08.2023, 20:03 Time

USPA NEWS - "France firmly denies the new unfounded accusations by the putschists in Niger.

The French soldiers positioned in Niger are there at the request of the legitimate Nigerien authorities, to fight against the terrorist groups which destabilize the region and martyrize the populations in the Sahel.

These statements against France constitute a new attempt at diversion, at a time when ECOWAS is increasing mediation efforts to restore constitutional order in Niger.

The air movement carried out today in Niger was the subject of a prior agreement and technical coordination with the Nigerien forces, authorization confirmed in writing. No attack against a Nigerien camp took place. No terrorist has been released by the French forces who have been fighting against this scourge for many years in the Sahel at the risk of the lives of their soldiers."
